INFORMATION DISCLOSURE STATEMENT

Honorable Commissioner of Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

Attached hereto is Form PTO-1449 (Substitute) listing documents potentially relevant to the subject application. These documents are not necessarily analogous art or material to the patentability of the invention. It is respectfully requested that these documents be considered by the examiner and an initialed copy of each form be returned to the undersigned. This disclosure statement should not be construed as a representation that a search has been made or that no other material information as defined in 37 C.F.R. § 1.56(a) exists. It is believed that this disclosure complies with the requirements of 37 C.F.R. §§ 1.56, 1.97, and 1.98, and the Manual of Patent Examining Procedures §609. If for some reason the examiner considers otherwise, it is respectfully requested that the undersigned be called so that any deficiencies can be remedied. Nothing in this submission constitutes an admission that the listed documents are material or constitute "prior art."

Applicant reserves the right to present to the USPTO the relevant facts and law to support that the listed documents are not "prior art", that the listed documents are not "material" to the patentability of the present invention and that the present invention is patentable of the listed documents.

A copy of each document is enclosed. Some of the documents may have markings thereon. No significance is meant to be attached to the markings.

Respectfully submitted,

By: Neustel Law Offices, LTD

Michael S. Neustel (Reg. No. 41,221)
